## Admin Notes

Summer has arrived and I am sure we all feel it is long overdue.

The children will be enjoying lots of time outdoors in the sunshine. Reminder to please bring sunscreen and bug repellent (if you wish it to be applied) to the day home, along with hats. Please ensure you have signed

the permission form for the application of the bug spray and bug repellent.

With summer also comes more fun outings and field trips for the children. Please watch out for the transport agreements from the providers.

We would like to wish everyone a safe and enjoyable summer.

Office hours are from 830am-430pm Monday to Friday and until 630pm on the 15th and last day of the month or the Friday before.

## Alternate care and Holidays

Our summer holidays have filled up very fast with bookings. Please let your provider know ASAP if you need alternate care when the providers are off.

Please remember you are welcome to meet with

the alternate provider before the care starts to ensure it will be a good placement for you.

Credits can be requested as well if there is no holidays clause in place, no subbing has been booked and the parents

have not signed a waiver. Please call the office with any questions.

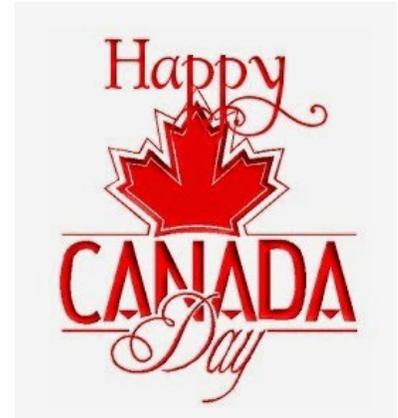

Reminder credits can not be given if it is the last month of care.

## Provider Notes

If you are off in the summer and the children won't be attending day home please let the providers know as soon as you do. This helps in the planning and routine for the children in the summer.

It is very important to stay within your contracted times. The providers plan their days based on these times of arrival and departure. If you need to change your contract please contact the office and we would be happy to assist with this.

## Community Events

There are multiple activities and celebrations happening for Canada Day around the city including but not limited to Henderson Park, Galt Museum, Galt Gardens, and Spitz Stadium. There will be a pancake breakfast and show and shine at Galt

Gardens. Of course the regular festivities at Henderson and the Galt Museum. For more information please visit [https://](https://www.lethbridge.ca/Things-To-Do/Canada-Day-Events/Pages/default.aspx)

In a world darkened by ethnic conflicts that tear nations apart, Canada stands as a model of how people of different cultures can live and work together in peace, prosperity, and mutual respect.

## Back Up Packages

I know we have addressed this many times but with the amount of subbing in the summer months it is a quick reminder. Please ensure to bring your child's back up package with you to any alternate care. If you don't have one or lost it we will make one more copy.

This package must go to the alternate provider or the provider must refuse care as they are in non compliance with the government standards if they have children in care without the child information. Please contact the office with any questions.
